Why Driver Education?

*A UNL study found that driver's education significantly reduces crashes and traffic violations among new drivers.**

In a survey of students that completed the Nebraska Safety Council driver education program in 2016,

- 96% of survey respondents had not received a traffic ticket since completing the program.
- 94% of survey respondents had not been involved in a traffic crash behind-the-wheel since completing the program.

Why the Nebraska Safety Council Course?

- 100% of survey respondents said they would recommend the Nebraska Safety Council program to others.
- We are the only AAA approved school in Lincoln and the second in Nebraska.

Scholarships available.

Thanks to our partners, AAA and the Cornhusker Motor Club, who have graciously provided scholarships for teens on the reduced/free lunch program. Scholarships are available while funds last. Call 402.483.2511 for more information.
