- 5. As long as my behavior does not result in a collision or ticket, it is responsible behavior.**  
True  
False
- 6. My actions on the road are the result of my own choices.**  
True  
False

**7. What two questions should you ask yourself to help you choose effective driving behaviors?**

Am I right? Is it fair?

Is it responsible? Is it respectful?

Will I get there? Will I be on time?

**8. You are the first vehicle at an intersection and the traffic light changes to green. What should you do?**

Proceed immediately and try to get through the intersection as quickly as possible

Wait 2 seconds and proceed only when it is legal, clear and safe

Pull to the middle of the intersection and scan the road

**9. What is the “Three-Second Rule”?**

A technique for avoiding driving while fatigued: Close your eyes and count to three seconds and then continue driving.

A technique to help you maintain a proper following distance: When the rear bumper of the vehicle in front of you passes a fixed object (such as a signpost), count to three. Your vehicle’s front bumper should not pass the object until you finish counting to three.

A rule estimating you need three seconds in order to pass a vehicle safely.

**10. What are three steps you should take to regain control and stop aggressive driving?**

Reflect. Re-frame. Refocus.

Start. Stop. Continue.

Watch. Wave. Apologize.
