

Driver's Education Parent Agreement Policy

Effective March 1, 2020

The Nebraska Safety Council, (NeSC), makes safety our top priority. Our instructors care about each one of our students. To ensure the safety of each participant, the parent agrees to the following terms for driver's education.

- 1) Students are never to be left alone or ride alone in a car with an instructor. If the partner driver does not show up, the student will be asked to reschedule for another time or the parent may ride along with the driver and instructor to fulfill the drive time.
- 2) Students are not allowed to wait for a parent by themselves outside of normal business day hours (Mon – Fri 8:00 – 4:30). Parent agrees to pick up their child at the designated class or completion time. If the parent is going to be late he/she must call the instructor to inform them of their arrival time. Parent agrees to pay Nebraska Safety Council \$50 for pick up beyond 15 minutes late. Fee must be paid to NeSC before the next drive time. If parent does not communicate with the instructor and is more than 30 minutes late, **the instructor will call the police at which time the child may be placed in the care of authorities.**
- 3) 2nd to last parent agrees to wait with last child and instructor until the last student's parent arrives.
- 4) Drive time cancellation is subject to a \$50 fee with the following exceptions:
 - a. Written physician notice for illness or injury.
 - b. Obituary for family death.Parent agrees to notify NeSC before scheduled class or drive time.
- 5) Signed agreements are due the first day of class. If the student has already completed class or drive times, the agreement is due upon the next drive time. **Note student will not be allowed to drive until this form is received.**

I agree to the above terms and conditions. I understand that all fees must be received by the Nebraska Safety Council before course completion is sent to the Nebraska Department of Motor Vehicles.
